

You. You hit me in my heart (auw!)

You hit me from the start. You've got me in my heart
Now whenever you're around, you sweep me off the ground (kan ook pijnlijk wezen)
You got me in your heart
Shake me move me. Baby now the heat is on. 2x

I gotta get my beat back (flatliner!)

Shake

He puts the music on

My heart just goes alarm (meestal is dat de hartbewaking die dat bliepje geeft)

I'm losing it (stand back, charging 300.. Emergency!)

I gotta get my beat back (pacemaker lijkt de panacee. Q.e.d.)

Now the beating of my heart is tearing it apart (gedilateerde cardiomyopathie. Aii! Dat is erger dan een pacemaker alleen)

You've got me in my heart

Oh, I'm feeling like fool

I gotta play it cool

You've got me in my heart

Shake me

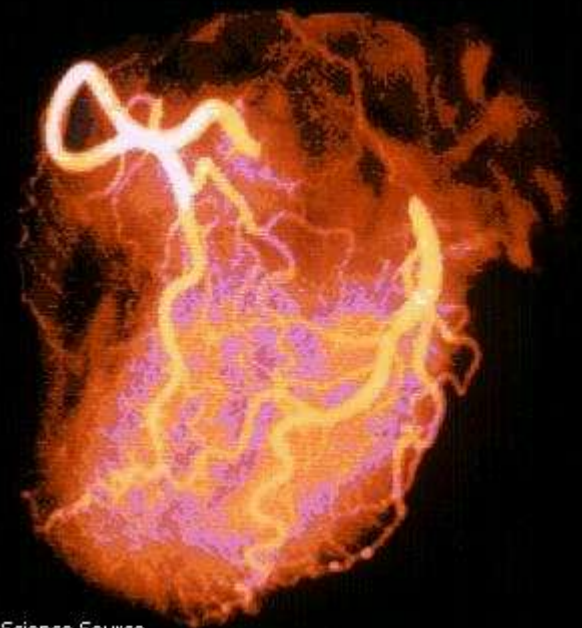

Move me

Baby now the heat is on

Shake me

Move me

I gotta get my beat back
